

Right on, Greedy Geezer

EDITOR, GAZETTE:

I was asked by several friends to "Greedy Complainer" ("Back off, greedy geezers," May 6) but I see Greedy Geezer beat me to it ("Greedy geezer vs. greedy young," May 9); and I am glad he did, as my wife and I agree I could not top Greedy Geezer's response.

I sure wished he had signed his name, as a whole lot of us Greedy Geezers agree with him completely.

Sincerely,

Greedy Geezers unite

I have only one comment to make in regards to Mr. (William R.) Larsen's letter of May 6, 1991. What kind of song will he be singing when he becomes a greedy geezer?

Sincerely,
